

New Mexico
ACTE

Fellowship Program

Join fellow CTE educators across the state in:

- furthering the development of leadership skills;
- gaining a deeper understanding of each state's CTE structure, history, funding, and delivery of training;
- helping to increase participation in CTE events within our state, Region IV, and the nation;
- allowing CTE leaders to gain an understanding of our structure, committees, budget, leadership, and opportunities for involvement;
- supporting the development of CTE leaders that will continue to serve as state, regional, and national ACTE leadership.
