

# TECHNIQUES MAGAZINE . . .

## AN EXCEPTIONAL BENEFIT!

As an ACTE member, you receive a full year of *Techniques* magazine FREE! In print and online, readers can expect to discover innovative classroom management strategies, grow in their understanding of inclusion, access, equity and diversity in CTE, and feel a sense of community here. *Techniques* is written by career and technical educators, for career and technical educators – providing CTE professionals with the analysis and objective reporting they need to remain informed.
