

Good morning,

I hope you are doing well and that your spring is off to a great start! I wanted to share with you the link for the 2024 Iowa ACTE Conference, June 18 at the Prairie Meadows Conference Center, in Altoona.

[Conference Flyer](#)

On the flyer, you will find several links that will provide you with the most up-to-date details about the conference. Our keynote speaker will lead an engaging and interactive networking session during the opening of our annual conference. Get ready to connect, collaborate, and make valuable connections with your fellow attendees!!

I also wanted to make sure you are aware that all early bird member conference registrations received by June 3 for \$125 will be entered into a drawing to win a free overnight stay at Prairie Meadows for the conference. This is a fantastic opportunity to not only attend the conference but also potentially enjoy a complimentary stay at the conference venue.

Iowa ACTE understands the importance of providing our members with the best conference experience that caters to your professional needs. We value your input and are committed to listening to your suggestions and feedback.

We are excited to embark on this new adventure, where we aim to ignite your passion for educating in the field of CTE. Our conference will be a platform for you to connect with like-minded professionals, share innovative ideas, and enhance your skills, knowledge and network.

By planning to attend our conference, you can expect a range of engaging sessions, workshops and networking opportunities that are designed to meet your specific needs as an educator in the CTE field. Whether you are looking to update your teaching strategies, learn about the latest industry trends, or explore new resources, our conference will have something for everyone, "seasoned" and "not-so seasoned". :)

I encourage you to take advantage of this offer and register early to secure your spot at the Iowa ACTE Conference. Together, we can create an atmosphere of growth, collaboration and enthusiasm for CTE. Join us on this exciting journey and let us help you ignite your passion for education in the field of CTE

Our conference committee has worked hard to bring you a conference based on feedback from our members. Please let any of us know if you have any questions or need further information.
