Additional Information: Currently in process of reviewing new format with PCM and making needed updates. PCM will meet virtually on March 12th to review.

B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engaging your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

We held our Region II Conference in October in Huntsville, AL. The conference provided networking opportunities for members to engage in professional conversations and meet counterparts from various parts of the southeast. In conjunction with VISION Conference, we held our Business Meeting virtually two weeks before. VISION Conference provided an opportunity to showcase our Region II award winners who received National recognition!

We are also beginning the process of planning our two IAED webinars for 2024. This is part of our strategic plan. We plan to have the first one prior to June 2024.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE's publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

My suggestion is to get to know the state presidents and executive directors early. Continued communication will assist in many ways from finding policy committee members, awards chairs, planning conferences, recognitions, etc.

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
Attendance at Region II Conferences	Member engagement and the value they feel from participating in these events	

E. Topics to be discussed during Division/Region Breakouts

How to address various target areas in the new strategic plan. Member value from attending Region Conferences.

F. Items to be considered for placement on the Board Agenda

Topics to be placed on the board agenda for discussion. Give background information for the purpose of the discussion.

Action Items (those that will introduce a motion). Indicate item, rationale and possible wording for motion.

G. Request for Information

Questions to Officers, Exec. Committee, or Staff to be answered but don't need discussion at the board meeting.
