A. Strategic Plan

Provide the link to the Multi-year Strategic Planning Worksheet. Share any additional information about the implementation of the Strategic Plan you would like about the following:

- Successes you have had
- Support you still need

Additional Information:

SP Goal: Provide opportunities for WBL professionals and partners to present on relevant topics related to WBL (through monthly WBL webinars and the WBL Conference)

- Since the last board meeting, the WBL Division has hosted three webinars: November - Entrepreneurship as WBL; January - Sharing WBL Success & Measuring Impact; February - Generating Support to Grow Your WBL Program
- The webinars have been well attended and the recordings have been posted on CTE Learn
- WBL was represented well at the ACTE VISION Conference; highlights included a standing room only division opening session as well as an open networking session where participants could ask questions and share ideas with one another (many said this was the best session they attended)
- Planning for the 2024 WBL Conference is coming along very well including confirmation of the keynote speaker; all concurrent session presentations have been selected and presenters notified.

SP Goal: Provide opportunities for new WBL coordinator to connect with experience WBL coordinators

- The WBL Division mentoring program, "Creating Confident Coordinators" met in November and December. Both sessions went very well and participants left with good information and questions answered.
- These mentoring sessions will now be paired with the Division Zoom meetings that happen every other month. In January's Division Zoom there were about 20 people that stayed on to ask questions and offer support to each other.
- We are planning to have several options at the WBL Conference where attendees can connect and have open discussions about topics relevant to them.

SP Goal: Continue to recruit sponsors

- Sponsorships for the WBL Conference have almost all been sold. We have sold more than half of the exhibit space available including all the exhibit booths that included a concurrent session.
- Had a great call with the Strategic Partnerships teams about other sponsorship opportunities for the division. We are actively looking to get sponsors for the monthly webinars and the quarterly newsletters.

SP Goal: Provide information and resources that can help WBL Division members

- We would like to provide an online resource sharing/forum for division members. When I met with

the Strategic Partnerships team they suggested we look at finding a sponsor that can help set this up and monitor the forum. We will continue to explore the options available for this.

B. Contributions to Region and Division Members

Please remember the importance of engagement of members during this time and let ACTE know how we can help engage your members with you! Please also let us know how you have engaged ACTE members within the past 4 months. Indicate if the work falls under any of the Strategic Plan.

See above.

ACTE is working to communicate and disseminate innovation at the forefront of all Regions and Divisions as an effort to support other CTE professionals around the nation. We anticipate highlighting the innovations in ACTE’s publications, blogs, and webinars and other similar activities. Please highlight any recent innovative ideas within your Region or Division.

C. Succession Planning

Do you have any information you wish you had been provided during your new Board Orientation (what you know now that you wish you had known then)? Do you have any suggestions on future Vice Presidents for your Region or Division? Or any suggestions on future ACTE President-Elect candidates?

D. Region/Division Concerns

What are your concerns for your Region/Division specifically	What are the implications for ACTE?	In what capacity can ACTE assist in addressing this issue?
