

ENGINEERING AND TECHNOLOGY EDUCATION DIVISION

Connecting Education and Careers

Happy fall y'all,

As I watch the landscape change around me, I am reminded of how this year has been a season of change for us all. Seeing the colors change and feeling the cooler temperatures reminds me that change can be beautiful when we focus on the positives. Hopefully, this finds you settling in and finding a way to manage the new demands of teaching in these ever-changing times.

One of the biggest changes will be the Virtual VISION 2020 Conference.

Engage, Gather & Learn at VISION

ACTE is excited to offer Virtual VISION 2020 on a dynamic virtual platform, bringing you [hundreds of sessions](#) in a mixture of live-streamed, simulive and on-demand formats, all of which you will be able to access post-event! Happening **Nov. 30–Dec. 4**, Virtual VISION will offer immersive and expanded programming that addresses cutting-edge CTE issues during these unprecedented times. Be sure to register by **Oct. 23** to secure the advance rate of \$250 for members.

Mark your calendars now for the eTED division opening session and live presentations on **Tuesday, Dec. 1**, followed by virtual networking opportunities **Wednesday, Dec. 2**. I will be hosting a "Casual Conversations" session for attendees to share best practices and to brainstorm solutions for problems you are continuing to navigate. We are offering a "Speed Dating with Corporate Partners" session to introduce you to

resources (many of them free) who are interested in connecting with you. And, we have scheduled some “fun” sessions, such as virtual bingo and a trivia contest, to encourage us to take care of ourselves during these ever-changing times.

Prizes will be given away to several lucky participants who join the conversations. I hope you will join us for Virtual VISION 2020 as I am looking forward to connecting with each of you to determine how the eTED division can support you. More information will be posted on the website and sent through email as details become finalized. You won't want to miss it. Early bird registration ends **Oct. 23**. The best part is all of the 300+ sessions will be available to registrants for 365 days after the conference. You can access the sessions on your time when you need them.
