2. Retiree Bylaw Definition change
  - i. All set to be brought forward to the Bylaws committee before their May 1 meeting
3. No new business.
4. Lisa reviewed our goals as an advisory with LeAnn and Kelli from our original list of items we wanted to discuss. We have checked the box on all of them now, but will continue to add to our list of things we can offer to help with at events as well as hold retiree receptions when we have people that will be at events. That being said, we no longer need to meet monthly, so we will schedule a quarterly meeting and then if needed, we can set up another meeting.
5. Our next meeting for the first Monday in May - May 6<sup>th</sup> at 1 PM Central. We will use the same zoom and Lisa will send out a reminder prior to that date.
