

Dear Region II ACTE Members,

There was a slight error in the Winter newsletter. Please see correction below.

ACTE VISION 2020 Update

I hope all who attended Virtual VISION 2020 had a wonderful experience. I enjoyed interacting with members during the Region II meetings and some of the workshops. It was an exciting time for Region II, as two of our Region Award winners were also named National Award winners. Congratulations to the members below who received the National Award:

- **ACTE New Teacher of the Year Award**
[Kaitlin VanHeusen](#) — **Starke, Florida***
- **Carl Perkins Community Service Award**
[Tammy Camel](#) — Mt. Vernon, Kentucky

Additionally, the following states received the National Quality Association Standards Award. The purpose of the [Quality Association Standards](#) (QAS) is to provide benchmarks for state associations to determine levels of performance and satisfactory service to their members and prospective members. States who meet these standards as evidenced by submission of an annual report receive this recognition. From Region II, these included:

- Georgia
- Kentucky

- North Carolina
- South Carolina

Sincerely,
