

# CTE in Washington

**33%** of Washington jobs will require education beyond high school but less than a bachelor's degree by 2031. Career and technical education (CTE) programs prepare students for these jobs in key Washington industries such as:

- agricultural and food manufacturing
- aerospace
- clean technology
- maritime

In 2023, 97% of Washington high school CTE concentrators completed dual-credit courses.

Many students are already enrolled in CTE in Washington, developing technical, academic and employability skills and engaging in work-based experiences with industry partners. During the 2022-23 school year, Washington had:

**186,569**

secondary CTE participants

**79,604**

postsecondary CTE participants

These youth and adult learners in CTE programs are more engaged, graduate high school at higher rates, earn industry-recognized credentials, and have rewarding and family-sustaining careers.

CTE Concentrators

All Students

**Four-year cohort graduation rate in Washington (2021-22)**

**25,346**

sub-baccalaureate credentials in CTE fields awarded to Washington students (2022-23)

**FY 25 Federal Perkins CTE  
Funding for Washington**

**\$26,026,060**

More investment is needed to scale CTE programs across Washington to ensure that all learners have access to high-quality CTE programs in high-skill, high-wage and in-demand career fields.

***CTE: Good for Students, Good for Business, Good for Communities***
