

# CTE in Virginia

Career and technical education (CTE) programs equip students with the skills and experience necessary to pursue careers in key Virginia industries such as:

semiconductors

business process services

supply chain management

controlled environment ag

In 2025, Virginia students earned over 150,000 industry-recognized credentials and occupational licenses.

Many students are already enrolled in CTE in Virginia, developing technical, academic and employability skills and engaging in work-based learning experiences with industry partners.

During the 2023-24 school year, Virginia had:

**302,669**

secondary CTE participants

**87,162**

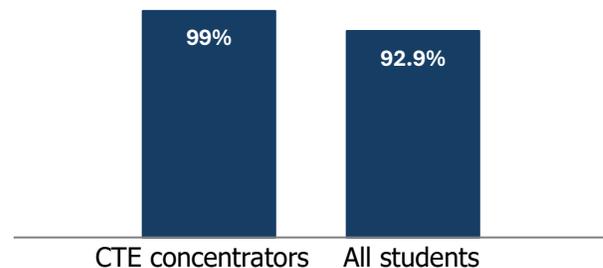

postsecondary CTE participants

These youth and adult learners in CTE programs are more engaged, graduate high school at higher rates, earn industry-recognized credentials and have rewarding and family-sustaining careers.

FY 25 Federal Perkins CTE Funding for Virginia
