

CTE in Nevada

Career and technical education (CTE) programs equip students with the skills and experience necessary to pursue careers in key Nevada industries such as:

hospitality, tourism, sports, and creative

aerospace and defense

natural resources

water technologies

In 2024, 78% of Nevada postsecondary CTE concentrators earned a recognized postsecondary credential.

Many students are already enrolled in CTE in Nevada, developing technical, academic and employability skills and engaging in work-based learning experiences with industry partners.

During the 2023-24 school year, Nevada had:

70,821
secondary CTE participants

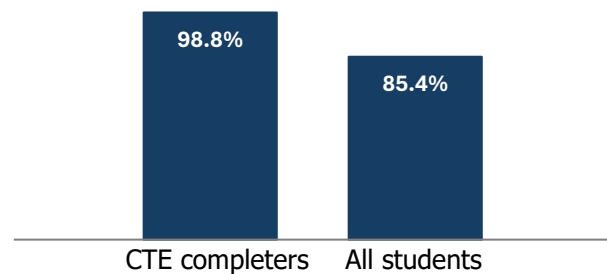

26,929
postsecondary CTE participants

These youth and adult learners in CTE programs are more engaged, graduate high school at higher rates, earn industry-recognized credentials and have rewarding and family-sustaining careers.

FY 26 Federal Perkins CTE Funding for Nevada

\$12,837,087
