

# CTE in Oregon

Career and technical education (CTE) programs equip students with the skills and experience necessary to pursue careers in key Oregon industries such as:

health  
sciences

high  
technology

manufacturing

transportation

*There are other industries important to Oregon's economy not listed here.*

In 2024, more than 5,300 Oregon postsecondary CTE concentrators earned a recognized postsecondary credential.

Many students are already enrolled in CTE in Oregon, developing technical, academic and employability skills and engaging in work-based learning experiences with industry partners.

During the 2023-24 school year, Oregon had:

**161,688**

secondary CTE participants

**44,702**

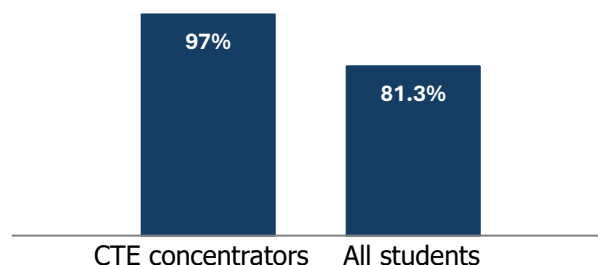

postsecondary CTE participants

These youth and adult learners in CTE programs are more engaged, graduate high school at higher rates, earn industry-recognized credentials and have rewarding and family-sustaining careers.
